PROVIDENCE
FRIARS

ANNUAL DONOR REPORT
JULY 1, 2009 - JUNE 30, 2010

A MESSAGE FROM THE ATHLETIC DIRECTOR

Dear Friar Supporter,

In 2009-2010 your generous support enabled more than 300 student-athletes to represent Providence College and compete in the most competitive conferences in the nation.

This report showcases our student-athletes achievements in the classroom, on the playing field and in the community. As a donor to Friar athletics, your support makes these experiences possible. From scholarships to facilities and travel, your donations touch every aspect of our student-athletes lives and enable them to maximize their potential both in the classroom and on game day.

On behalf of the coaches, staff and student-athletes in Friartown I want to thank you for your generous support. Over the years I have been fortunate to meet and personally say thank you to many of the alumni, parents and friends who donate to Friar athletics. You truly are a special part of the Friar family and this year when you see me at games or in the community, please stop by and say hello so that I may say thank you again for investing in the future of Friartown.

Go Friars!

Sincerely,

Robert G. Driscoll Jr.
Robert G. Driscoll Jr.

Being a student-athlete at Providence College is an incredible experience. Not only do I get to compete against the best competition but when my basketball career is over, I will have a degree from a prestigious university to fall back on. My experiences here at Providence College would not be what they are without the generosity and support of our loyal donors and fans. Because of the recent renovations and updates made to our locker room, practice facilities and at the Dunkin’ Donuts Center we are able to succeed at the highest levels and for that I am grateful. - Bilal Dixon ‘13, Men’s Basketball

The women's ice hockey program has come such a long way since I stepped foot on campus and I believe this is because of the extremely generous donors we have. It is amazing to know that people from the outside care enough about our program to voluntarily donate their time and money. The donors are greatly appreciated and serve an important purpose in the growth of our athletic programs. Thank you for your support and GO FRIARS!

BILL & EMILY LEARY FRIENDS OF FRIAR HOCKEY ROOM

We are so appreciative of Bill and Emily Leary for their generosity and support at the highest level over the years. The Friends of Friar Room would not have been made possible without these two wonderful people and in recognition of their friendship and generosity, the room will always carry their name. It is a multi-dimensional space that both women's and men's ice hockey programs utilize in many different ways. This first class setting offers a very appealing environment to hold team meetings, receptions and family gatherings. The room adds another very effective environment to utilize inside Schneider Arena outside of our locker rooms which we desperately needed.

Combine that with the Robert O'Connor Hockey Resource Library and you have a room that is inviting and special for hockey people of all ages.

- Bob Deraney,
Head Women's Ice Hockey Coach

FRIARS FOREVER ANNUAL ATHLETIC REPORT

We love Providence College and are always anxious to support the College in multiple ways. One such way is gifting our student athletic programs so they can compete successfully with larger institutions with greater financial resources. By giving during our lifetimes, we are able to witness and enjoy the immediate impact of our gift on the college community. We have been especially grateful for the opportunities that we have been given to support the women's and men's ice hockey programs at PC, and by doing so, honor the proud tradition of Providence College Ice Hockey.

- Bill '60 and Emily Leary

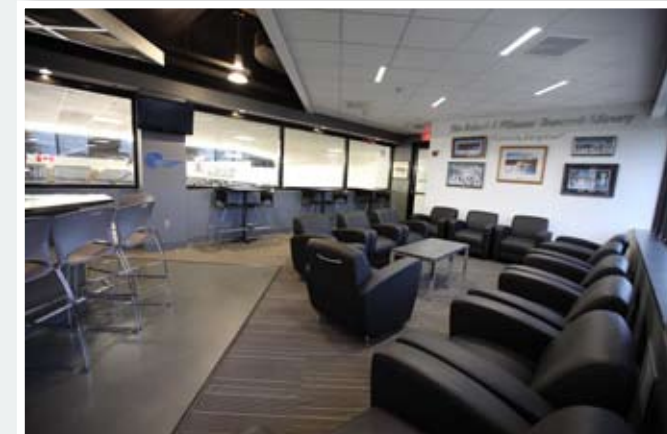

ROBERT J. O'CONNOR HOCKEY LIBRARY

I dedicate this collection of eclectic hockey materials to my sister, Geraldine, who bought me my first pair of skates when I was ten years old. Geraldine was in high school and working at Woolworths 5 & Dime. She gave me a love for life.

-Bob O'Connor '62, photographed right with wife Alice and Bill and Emily Leary

I have known Bob O'Connor for many years. We have worked together on two USA Hockey Select Teams. Bob has generously donated to us the best hockey library in the United States. It is a wonderful resource center for both the men's and women's players and coaches. It is the donations from people like Bob and his wife Alice that allow our teams to compete in the highly competitive Hockey East Association. Both programs are truly grateful for the kindness and support of our donors. Thank you!

My four years at Providence College provided me with life focus, energy and enthusiasm that has grown every year since. The PC experience provides you with the mindset that truly “Anything is Possible,” whether on the court, in the classroom or in daily life. While life isn’t Black and White, my loyalty to PC and the Friar colors are. Just ask my family, friends and clients! Go Friars!

Floor seat season ticket holders and donors who purchased lockers in the men’s basketball locker room were invited to attend a private men’s basketball practice in February. “As a former Friar student-athlete and now as the Head Coach of the men’s soccer team, I have seen the impact that funding can have on our program. Our recent success has a lot to do with the improvements that we have been able to make to our program’s facilities. These improvements were made possible as a result of the generosity of our alumni and I am proud to count myself as a donor to the men’s soccer team.”

"At Dexter Credit Union we treat our customers like family and we are committed to developing long-lasting relationships. For us, a partnership with Providence College Athletics was a natural fit given their abiding commitment to the development of student-athletes who will become solid citizens and good neighbors. Working with the athletic department and the College leadership as a whole helps to promote Dexter Credit Union, but also supports the education of some of the finest student athletes in the nation. Go Friars!"

UPCOMING PROJECTS ALUMNI HALL & LACROSSE/SOCCER/TRACK COMPLEX

Alumni Hall, the arena that housed Friar legends Jimmy Walker, Lenny Wilkens and Dave Gavitt is in need of major renovations. The plans include a complete makeover of the facility and will provide our men's basketball team with a first-class practice facility and our women's basketball and volleyball teams with a home court that will enhance the game experience for our student-athletes and fans.

- Renovations include:
- Telescopic seating
 - Video scoreboards
 - Air conditioning
 - A new ceiling
 - New banners

A vision has been created for a state-of-the-art multipurpose facility for the Providence College soccer, lacrosse and track programs. The new facility will enhance our athletic programs in the following ways:

- Enable our soccer programs to host NCAA Tournament games as our current fan capacity at Glay Field does not meet the minimum requirements.
- Provide our lacrosse program with a field that can attract BIG EAST caliber student-athletes and house sellout games versus Syracuse and other national rivals.
- Provide our nationally ranked cross country and track programs and All-American student-athletes with an on campus training facility to compete for national championships.

UPCOMING PROJECTS LOCKER ROOM NAMING OPPORTUNITIES

This year alumni, parents and friends will have an opportunity to put their name on a piece of Friar history. Naming opportunities are available for all 19 varsity sports and donors can leave their legacy at PC by putting their name on a locker or facility of their choice. Stay tuned for more information or call 401-865-1090 if you are interested in taking advantage of this once in a lifetime opportunity.

Glenn Graham G'81 and Gail Touchette named a locker in the men's basketball locker room
