FRIARS FOREVER

ANNUAL DONOR REPORT

JULY 1, 2011 - JUNE 30, 2012

A MESSAGE FROM THE ATHLETIC DIRECTOR

Dear Friar Supporter,

Thank you.

In 2011-2012, athletic fundraising at Providence College hit a record high and together we made a difference in the lives of more than 300 student-athletes.

As a result of your generosity we are embarking on a multi-year series of facility renovations that will impact every student-athlete on campus. From Alumni Hall to Schneider Arena, the landscape of Friartown will be transformed to recruit the best student-athletes from around the world to wear the black and white.

Your donations also enabled us to provide additional scholarships that will level the playing field against our opponents and open doors for student-athletes who would otherwise not be able to afford a first-class education.

Thank you, because without you, none of this would be possible.

I look forward to seeing you at our games and events this year. Go Friars!

Sincerely,

Robert G. Driscoll Jr.

Robert G. Driscoll Jr.
Director of Athletics

COMMUNITY SERVICE

The Friar volleyball team partnered with Habitat for Humanity to build the scaffolding for a house.

The Student Athlete Advisory Committee (SAAC) held a food drive at the men's basketball game versus Fairleigh Dickinson. Student-athletes collected over 500 pounds of canned goods for the R.I. Community Food Bank.

Student-athletes from the men's and women's basketball programs brightened the day of countless patients during their visit to Kent Hospital.

The women's basketball program served as House Volunteers for the afternoon at Ronald McDonald House by stocking shelves with food, beverages and other goods vital to the organization.

"I am grateful to Providence College for giving me an excellent education and moral foundation. Since graduating in 1963, I have remained an avid PC Friars basketball fan and have been a season ticket holder since they moved to the Dunk in 1972. I am proud to say that I was present at the start when PC became a national basketball powerhouse. I am truly excited with the athletic direction PC has under Father Shanley and the dedication and passion of coach Ed Cooley."

15TH ANNIVERSARY OF THE 1997 MEN'S BASKETBALL ELITE 8 TEAM

On Saturday, May 12, 2012, Providence College Athletics, along with presenting sponsors Cox Sports and Coast to Coast Promotional Products, held a 15-year anniversary celebration of the 1997 Elite Eight men's basketball team at the Westin Hotel in Providence. This special team took Friar Fans on a magical ride, coming within seconds of a return to the Final Four. This celebration allowed Friar fans to relive the memories and moments from that exciting season.

Former Providence Head Coach Pete Gillen, assistant coaches Tom Herrion and Bobby Gonzalez and former players God Shammgod, Ruben Garces '97, Corey Wright '99, Jamel Thomas '99, Kendrick Moore '98, Jason Murdock '97, Rick Cordella '99, Mark Adams '98, Llewellyn Cole '99 and Dennis Cleary '99 all attended the celebration. John Rooke, voice of Providence College Friar Basketball, along with former Friar great Joe Hassett '77 led the program. As Coach Pete Gillen expressed, "Providence College is a special place. You don't realize how special it is until you are no longer there. Not many schools have first-class events that celebrate their tradition. We will never forget the special weekend we had together."

GAMEDAY AT THE DUNK A special thanks to all of our sponsors and military families that were honored at the Dunk this year.

FRIARS CELEBRATE 40 YEARS OF WOMEN'S ATHLETICS

On Saturday, February 11, 2012, the Providence College Athletic Department invited each of its former female student-athletes back to Smith Hill to celebrate 40 years of Women's Athletics at the College. The event was highly successful and well attended by over 200 former lady Friars from each of the four previous decades as well as current student-athletes and coaches. A reception was held in the Ruane Atrium of The Concannon Fitness Center and all attendees were honored at halftime of the women's basketball game vs. Seton Hall.

In addition to a reception, attendees were able to participate in painting a mural, which originated from a collaborative effort between the Art and Art History Departments and the Athletics Department known as SPORT:ART. The mural, entitled "Be Transformed", is now permanently located in the Ruane Atrium of the Concannon Fitness Center.

"As a young alumni, I'm now able to see that investing in athletics helps to improve the entire College. It allows students who may not otherwise be able to afford college to be awarded a scholarship, helps us retain some of the best coaches in the conference, gives us facilities that impress recruits and contribute to a healthy campus, and overall supports a program that highlights Providence College throughout the country in a way that no other exposure can."
