A MESSAGE FROM THE ATHLETIC DIR

Dear Friar Family,

What a year!* For some time now you have heard, and responded to, our message of building an athletics program that earns respect and provides our student-athletes with the opportunity to compete for championships. As I write to thank you for your generous support of Friar athletics in 2014-15, I can't help but reflect with sheer joy on the championship moments that we experienced.

In December, the men's soccer team clinched the program's first BIG EAST Championship and went on to compete in the NCAA College Cup. Emily Sisson followed suit in the indoor and outdoor track seasons, as she finished her career with two BIG EAST Championships and two NCAA Championships in the 5,000-meter race. The men's basketball team, after another noteworthy season, returned for its second consecutive appearance in the NCAA tournament for the first time in 30 years. And, in April, we cheered our men's hockey team on to our first men's team NCAA Championship.

Because of your financial generosity, athletics fundraising increased 44% over the previous year attaining a record-breaking level of \$6 million. All of this support results in our student-athletes being better positioned for academic and athletic success.

The 2014-15 season will be remembered as one of the greatest by all Friar fans. As we begin the 2015-16 year, we remain mindful of our vision and steadfast in our determination to achieve our mission. We look forward to the completion of the Anderson Stadium at Chapey Field soccer/lacrosse complex, the tennis complex, and the softball stadium—all projects that are now underway. In addition, we are working on the final designs of the Friar Development Complex.

On behalf of the athletics department, I thank you for giving of your time, spirit and resources to help our student-athletes reach their highest potential. Your support honors the College and our student-athletes. And remember, as always... Go Friars!

Sincerely,

Robert G. Driscoll, Jr.

Director of Athletics

* 8/14/15 "Providence College: The Best Men's Sports Program in US Per Capita," Golocalprov.com. NATIONAL CHAMPIONS

2015 DIVISION I MEN'S ICE HOCKEY NATIONAL CHAMPIONSHIP

The Providence College men's hockey team captured its first ever National Championship, and the third all-time team title for the College, with a third period, come-from-behind 4-3 victory over Boston University at TD Garden on Saturday April 11, 2015. With two minutes left in the game, after BU goalie, Matt O'Connor mishandled the puck and tied the game, Brandon Tanev netted the biggest goal in Providence College history for the game winner that solidified the Friars lead. The Friars finished the season with a 26-13-2 record and a 13-8-1 mark in Hockey East play. Providence reached the Frozen Four after defeating Miami (Ohio), 7-2, on March 28 and Denver, 4-1, on March 29. In the Frozen Four, the Friars defeated Omaha, 4-1, on April 9 in the National Semifinal, before defeating BU, 4-3 in the National Final. Gillies was named the Tournament's Most Outstanding Player after finishing the game with a career-high 49 saves, including 21 in the second period - a single season record total for saves in a period in the NCAA Championship game. The Providence College men's hockey team finished ranked No. 1 in both the USCHO.com Poll and the USA Today /USA Hockey Magazine poll after their win, 20 years after their last appearance in the Frozen Four tournament.

"We were the smallest school in the NCAA Tournament this year but we had the biggest team. As a donor and season ticket holder, you are a crucial part of our team and we proved this year that when we come together, nothing can stand in our way."

-Nate Leaman

"It's something I dreamed of ever since I wanted to play college hockey. The words can't describe how I feel right now."

-Brandon Tanev

"It has been an indescribable honor to wear the Friar jersey and represent Providence College for the past three years," Gillies added. "I am forever a Friar and that makes me one of the luckiest people in the world."

-Jon Gillies

"Being on the swim team here at Providence College is truly a blessing and I am very fortunate to be able to have such great facilities and the friar family by my side. The Taylor Natatorium has been a huge part of my life and thanks to the donors I walked in my freshman year to a top notch facility. The whole team is so grateful for everything the donors do for us and can't wait to give back by showing them all the hard work we put in at the Taylor Nat! The donors made the renovation happen and now we are truly swimming at one of the best pools in the Big East!"

"Every day I am thankful for the opportunities I was given both on and off of the softball field. Although I wish I could play in the new softball stadium, I am so thankful to all who have invested in our program. As demonstrated by the women's cross country and men's ice hockey teams, new facilities can improve a program tenfold and I am so excited to see the softball team grow and strive to become a nationally recognized program like so many other teams here in Friartown."

HONORING FRIAR LEGENDS

JERSEY RETIREMENT On Saturday, February 14, 2015 Providence College honored three of its all-time greatest basketball players. Former Friar men's basketball players John Thompson '64 and the late Jim Hadnot '62 and women's basketball player Andrea Mangum '90 were honored at the men's home game that day along with the unveiling of banners with their names and numbers. (Thompson #50, Hadnot #54 and Mangum #25). The night before on February 13th, the Providence College Athletic Department will hold a dinner to honor Thompson, Hadnot and Mangum at the Omni Hotel in Downtown Providence.

The Friar Legends Forever Tradition began in 1996. To earn the honor, the player or coach must have made a significant impact on Friar basketball and he/she must have received national recognition during his/her career at Providence.

Thompson and Hadnot became the 12th and 13th members of the Friar men's basketball family to be honored as part of the Friar Legends Forever Tradition. Mangum became the third player in Providence College women's basketball history to have her jersey retired, and the fourth honoree overall. In 2010, former Associate Athletic Director Helen Bert and former Friar great Kathy Finn Hill '84 were honored. In 2014, Tracy Lis '92 was honored.

MEN'S BASKETBALL RECEIVES A \$100,000 DONATION FROM RAYMOND VADNAIS

The Providence College men's basketball program recently received a \$100,000 donation from the estate of the late J. Raymond Vadnais. Mr. Vadnais was a member of the class of 1954 at Providence College and was a lifelong fan of the Friars. He was a season ticket holder dating back to the days when games were played at Alumni Hall. Some of Mr. Vadnais' fondest memories were from classic games back in his days as a student. In particular, when the Friars traveled to the old Boston Garden to take on the then famous Rio Grande College, led by the legendary Bevo Francis. Mr. Vadnais spent his entire 35-year working career with Liberty Mutual Insurance Company, retiring in 1992 as a Claims Supervisor. He also was an ROTC graduate who served with the United States Army in Europe as a French translator. A generous man, Mr. Vadnais also made substantial gifts through his estate to the Catholic Foundation of Rhode Island to support scholarships at St. Cecilia's Elementary School in Pawtucket and the Miriam Hospital in Providence. He was a true Friar.

LACROSSE NYC FINANCE CAREER TRIP

Members of the Providence College men's lacrosse team attended the Finance Networking Day in New York City on Tuesday, Jan. 6. 10 student-athletes of the Program attended the event that provided networking opportunities with former lacrosse alums, as well as a glimpse into to the finance industry. The players heard from professionals from six different financial firms and got a first-hand look at what it is like to work on a trading desk and the research firms that support them. The day concluded with behind-the-scenes access on the floor of the New York Stock Exchange. The student-athletes had the opportunity to network with former Providence lacrosse alums as well as former student-athletes. "PC lacrosse alums Matt Pymm '99, Brian McCarthy '00, Brian Kirkwood '92, Rich Dunphy '93, along with Tim Scanlon '90, Mike Flanagan '88, Mark Hibbert '96, Mike Cash 'P15 and their colleagues graciously shared their valuable knowledge of the industry with our aspiring current athletes," continued Gabrielli. "We are so grateful for their time, wisdom and sincere interest in educating us about life on Wall Street."

STUDENT ATHLETE CAREER NIGHT On Thursday, October 23, the Providence College Athletic Department in conjunction with the Career Education Center and Office of Academic Support held its fifth annual Student-Athlete Career Night. The event was made possible through the generous support of Mark Mandell and Yvette Boisclair '84 who have sponsored the event since its inception. More than 100 student-athletes from the junior and senior classes attended the event held in '64 Hall. Guest speakers Dan Textor '13 and Shiela Harriy '87 shared their success stories as a result of networking with Friars Alum.

"This has become a signature event for our student-athletes," Providence College Athletic Director Bob Driscoll said. "We are extremely grateful for the generous support of Mark and Yvette to make this night possible. The relationships that our student-athletes build at this event have opened doors for them to obtain meaningful careers that they are passionate about. Ultimately this is at the core of our mission at Providence College."

"I am proud to support Friar Athletics. Over the years I have been fortunate to work with so many great student-athletes and I have witnessed how they transformed during their time at Providence College. I believe this transformation would not have been entirely possible without the generous support of all the great Friar fans. From new facilities to scholarships, every part of the student-athlete experience has been enhanced by donations."

RENOVATED FACILITIES

Since July 2010, Providence College has spent nearly \$180 million on improving our campus. Of that total, \$43.6 million has gone to upgrading our intercollegiate facilities. This represents 24% of all spending.

SCHNEIDER ARENA Opened in 1973, Schneider Arena recently underwent a massive \$13 million renovation project that culminated in a Grand Reopening on Sept 27, 2013. The eight-month renovation project turned Schneider into one of finest on-campus facilities in the country. The renovation project included a 30,000 square-foot addition. Highlights of the addition and renovation include a new atrium, ticket office, concession stands, coaches' offices, shooting room, locker rooms, meeting rooms, athletic training room, press box, five luxury suites, dasher boards, glass, video boards, video ribbon boards, scoreboards, a renovated Leary Friends of Friar Room and a strength and conditioning facility. Schneider Arena is one of Providence College's buildings that is in constant use. It serves the needs of the men's and women's hockey programs, the men's lacrosse program, the Providence College club hockey team and intramurals are also played at the Arena.

TAYLOR NATATORIUM SWIMMING POOL

Taylor Natatorium opened on the campus of Providence College in 1981 for the men's and women's swimming and diving teams. The vast majority of Providence's 19 varsity athletic programs also use the facility for strength and conditioning workouts. Renovations completed during the summer of 2013 include a tile recut of the pool deck with Friar logos being added to the walkways around the pool, a new drainage system, and new starting blocks. A new record board was also installed.

MULLANEY GYMNASIUM IN ALUMNI HALL

In the spring of 2012, Providence College began a \$3 million overhaul of the historic Alumni Hall facility, which includes seats backs, new lighting, air conditioning, video scoreboard and control room, media workspace, sound system and a host of other amenities. The gymnasium serves as the practice facility for the volleyball and men's and women's basketball teams. It is also the home court for the women's basketball and volleyball teams. The renovation project was completed in October 2012

RAY TREACY TRACK & FIELD COMPLEX

The Ray Treacy Track is located on Hendricken Field and serves as the primary training facility for the Providence College men's and women's cross country and track and field teams. The new complex has a six-lane track with eight-lane straightaways, which encompasses a turf field. The turf field will be used for soccer, rugby and other intramural sports. The complex has seating for more than 300 fans, as well as a press box and a scoreboard. Ray Treacy Track opened in October 2013.

"As an athlete at Providence College, I was given the best opportunities to grow as both a student and an athlete. Thanks to the generous support of all our donors, my team was able to train on our own track every day. This undoubtedly led to the Cross Country team's NCAA Championship that we captured less than a year after the track's unveiling. Thank you so much to everyone for their generosity and support, and as always GO FRIARS!"
