

FRIARS FOREVER ANNUAL ATHLETIC REPORT 2016-2017

US. WE. TOGETHER. FAMILY. FRIARS.

A MESSAGE FROM THE ATHLETIC DIRECTOR

Dear Friar Family,

Here in Friartown, the core of our community is our student-athletes, whose competitive pursuits transform them as people and give us all amazing shared memories. We watch and listen together—in the moment—to see what will unfold and often what does, happens in dramatic fashion. Always striving for victory... together.

It's said that nobody does it alone and that is certainly true for Providence College's student-athletes. The team fostering our student-athletes is varied and high-performing, from the College at large to every member of the athletics staff, and you. Your role as a team member is vital and we are very grateful for your passionate emotional and financial support of our program.

Through your generous support, 2016-2017 was another record-breaking year with \$6.6 million raised. Although the person leading our fundraising efforts is always quick to defer recognition, I would like to personally thank Steve Napolillo and his team for their tireless efforts to build and maintain wonderful relationships with our donors. Steve and his team have been instrumental in raising more than \$50 million over the past decade.

In 2017-2018, we will see the Ruane Friar Development Center become a reality with anticipated completion of Phase I in the fall of 2018.

On behalf of our department, thank you for being our teammate by helping us to provide the support our student-athletes need to succeed. Here's to another year of cheering on our Friars and enjoying the thrill of competition together!

As always... Go Friars!

Robert G. Driscoll, Jr.

MILLION RAISED TO SUPPORT FRIAR ATHLETICS

MILLION RAISED OVER PAST 10 YEARS

In 2010 Providence College launched the *Our Moment: The Next Century Campaign*, the largest fundraising campaign in our history. Both the campaign and the 100th anniversary of the college came to a close this past season. Over this 7 year span, the campaign was more successful than we ever could've hoped. The Our Moment Campaign may have ended, but it will always be our moment to give!

Thank you to everyone who was a part of this successful campaign. Due to your generosity and help, we've surpassed our original goal of \$140 million by \$45 million. We couldn't be more proud to lay the groundwork for our second century by making history with all of your donations to the Our Moment Campaign.

"I'm so thankful for the donors, alumni, athletic department and the coaching staff for their constant overwhelming support. We made great strides this season and continued our programs culture of winning at the highest level. We couldn't have made it to our 4th straight NCAA tournament without the support and resources provided to us. It was great to have Friar fans in the stands during road games and on charter trips home. Go Friars!"

The Men's Soccer program made a significant impact on my life during my time at PC and in my career. I give back to the program so current and future student-athletes can enjoy a similar experience and platform to excel. Also, because of donor support, an amazing coaching staff, and a strong administration, we are in reaching distance of a national championship! Go Friars!

MEN'S SOCCER

"On behalf of the Men's soccer team, we cannot thank the donors and alumni network enough for their generosity towards athletics. Without your help, we would not have won our program's first BIG EAST Regular Season title and made an NCAA tournament run to the Elite 8. I could not be more honored to wear the black, white and silver and to call myself a Friar!"

—Colin Miller '18

MEN'S BASKETBALL

"I am thankful to be given the opportunity to represent PC. I couldn't have asked for a better group of guys to call my brothers. Last season we had success and we want to build on it in the future and go to our 5th straight NCAA tournament. As a group we want to leave our mark on Friartown and give the fans something special to remember for a long time."

— Emmitt Holt '18

MEN'S LACROSSE

"We accomplished many great things this year on and off the field. Our team did everything from community service, to achieving a team GPA over 3.0, and playing for a BIG EAST championship at home. But we have some unfinished business for next spring as we look to bring the BIG EAST title back to Friartown in 2018! Go Friars."

—Tate Boyce '19

WOMEN'S FIELD HOCKEY

"My favorite part of this past season was the whole entire end of the season. We played so well and really came together as a team. This season we are looking forward to making it back into the BIG EAST tournament and winning the Championship on our brand new field!"

—Megan Guilbert '18

MEN'S ICE HOCKEY

"As a team we are looking forward to the season because we know with this group of guys we can do something special. We have a very tough schedule so we need every seat filled at Schneider Arena, and hopefully the crowd will have the same energy as last year. We hope all Friar fans are as excited as we are for the season and we cannot wait to see you guys at the games. Go Friars!"

— Brian Pinho '18

WOMEN'S CROSS COUNTRY/TRACK & FIELD

"Traveling so far from home to be part of such an amazing team and program is something that has made me the person I am today. The individual achievements this year, such as making all three nationals in cross country, are something more than just my hard work, but also the support that I have around here in Friartown."

—Brianna Ilarda '18

MEN'S TRACK/ CROSS COUNTRY

"The highlight of last season was qualifying for the national championships with a great group of guys. The cross country program has a fantastic history of making it to the national meet. This year we'll be looking to continue this record and compete to the best of our ability. Go Friars! "

—Aaron Hanlon '18

MEN'S & WOMEN'S SWIMMING/DIVING

"Last year we had a great season with many of our swimmers finishing with career best times, and qualifying for the final heats at the BIG EAST Championships. We are excited to welcome over 20 members of the Class of 2021 to our program in the fall and work towards another successful season!"

—Liam Straker '19

WOMEN'S BASKETBALL

"My favorite moments from last year are whenever we played on our home floor and we had all the Friar family supporting us. The new coaching staff has been awesome and very helpful for me and my teammates. I can't wait to play with my teammates and get more wins in Friartown! GO FRIARS!"

—Yoyo Nogic '19

WOMEN'S SOCCER

"It is evident that our program has been on the rise and we continue to set high standards for ourselves within each season. We compete for past, present, and future members of Friartown since all have contributed to the program in some tremendous way. I am extremely excited to take on our rigorous schedule this fall and remain focused to compete for a championship."

— Christina Klaum '18

WOMEN'S ICE HOCKEY

"I loved being a part of the team this past season. We're a hardworking bunch, but knew how to have fun when the time was right. We kept spirits light and humor was a part of who we were. I feel that this translated into our success on the ice. I can't wait to get back out on the ice this upcoming season and get some wins!"

— Tilly Burzynski '19

WOMEN'S VOLLEYBALL

"Our team is getting stronger each year and the level of play is rising with all the hard work in the gym and on the court. With some new faces in the coaching staff I think we will make an impact in the BIG EAST. I'm excited for this upcoming season to be able to show what the Friars are made of."

— Megan Onyundo '19

WOMEN'S TENNIS

"Being a friar athlete has been one of the most rewarding moments in my life. I can't thank the athletic department, coaches, teammates, and donors enough for the endless support and encouragement. On behalf of the Women's Tennis team, we couldn't be more excited to compete in the Spring. It's going to be a great season. Go Friars!"

— Katie Marvin '18

WOMEN'S SOFTBALL

"Get ready Friartown this upcoming season is going to be one for the books! And on behalf of PC Softball, I would like to thank all the donors for their continued support and as always GO FRIARS!"

"It has been a blessing to have the opportunity to play Volleyball at Providence College. Many thanks to all of our coaches, alumni, athletic department, and donors. You have gone above and beyond to provide us with the best of the best from exceptional facilities to amazing resources. I would also like to thank my Friar family for aiding me in my personal growth. I could not be more proud to have been a student-athlete in Friartown."

"Over the past 30 years I have been witness to incredible growth on campus and in the athletic department. Much of what has happened is due to the generosity of our alumnae and fans. I proudly support Friar Athletics. Sports medicine has benefited greatly from financial support of our alumnae. Each and every dollar that you give back will enhance the experience of our student-athletes. Thank you for all you do and continue to support the Friars!"

YET ANOTHER RECORD BREAKING YEAR!

Thank you to all of our donors, alumni, parents, faculty, staff, and friends who have made this possible. Your hard work and dedication truly goes a long way.

YOUR IMPACT

Every donation makes an immense impact, no matter what the amount. We encourage our donors to give what they can, and to remember that even a small amount makes a huge difference.

See for yourself!

\$10 allows around the clock healthy fuel options to be available for student-athletes.

\$25 helps provide academic resources for traveling student-athletes.

\$50 pays for a Sports Psychologist session for student-athletes.

\$100 along with 10 fellow Friars provides state-of-art equipment in the Canavan Sports Medical Facility.

With your help, Friartown would love to award scholarships to as many student-athletes as possible, enabling them to reach their full potential. Our 362 student-athletes fall into 3 categories: scholarship, part-scholarship, and non-scholarship. Do you know who goes where?

Please join us in this movement by creating scholarships and donating today to further enhance education for our student-athletes!

"Being a member of the soccer team has given me so many memorable experiences. I am truly grateful to be able to play in a world-class stadium, under the best coaching staff, and alongside my best friends every day. None of this would be possible without the continuous support and generosity from alumni, donors, and the entire athletic department. For that, I would like to say thank you! I am and always will be proud to call myself a Friar."

"When we first visited Providence College Megan and I felt a connection with the people and the campus of Friartown. The warmth of that welcome that surrounded us has never left. I am so thankful my daughter Megan has had the privilege to attend Providence College and be a member of the Field Hockey Team. Megan has benefitted from her coaches who are leaders and believers - they have helped develop more than just her athletic skills. Megan has formed deep friendships with teammates whom she shares many common bonds. I am sincerely grateful for the experience and education Megan has enjoyed. My times at the field hockey games are so much fun - my son Jim and I are lucky to be part of this Friar family. I am happy to support the Field Hockey Program and its commitment to excellence. I hope my son Jim attends college here next year!!!"

The Friars have been busy when they aren't practicing and competing. They volunteered more than 3,300 hours in service.

Take a look at some of the community service, volunteer work, clubs, and trip opportunities they involve themselves with!

SAAC UPDATE

The Student Athlete Advisory Committee (SAAC) worked together to plan and organize many community service and educational initiatives throughout the 2016-2017 academic year. The Adopt-a-Family Project, led by Ariana Buxman '17 of Women's Ice Hockey, allowed our student-athletes to successfully join forces with the DaVinci Center to provide Christmas gifts to 130 local children. SAAC also held a workshop led by former NBA player, Antoine Walker, where our student-athletes were taught the importance of financial foundations.

Our alumni are always welcome back in Friartown, especially for our Athletic Alumni Weekend! This past year more than 200 alumni returned to campus for a BBQ during a Men's Lacrosse game. As always the event was enjoyable and memorable for everyone who attended, and we hope to have more alumni and families join us for the 2018 Athletic Alumni Weekend.

IN LOVING MEMORY OF JOHN ZANNINI '83

This past June Friartown lost a dear friend and alumnus, John Zannini '83. Revered as the "Stat Beast", John could be seen courtside alongside John Rooke and Joe Hassett '77 providing the analytical data for PC basketball radio broadcasts. John's talents and warm personality spread quickly and he worked for nearly every franchise in New England including the Red Sox, Patriots, and Celtics. As great as John was with numbers, his greatest contribution to the game was his infectious smile and genuine kindness toward everyone he met. John will forever be missed by all of us in Friartown and he leaves a legacy that every Friar fan would be proud of.

"Looking back at my four years at Providence College I am so grateful for the experience of being a part of the Friars Women's Basketball program. I just want to thank the donors for all the support you have put into making PC one of the top contenders in the BIG EAST throughout all of the sports programs. My teammates and I are very appreciative and I will always remember my time as a Friar! As always Go Friars!!!"

DONOR OF THE YEAR

"I have been a big PC fan since I was 13 years old. I remember going to the first Friars Hockey game ever played in the new Schneider Arena. Over the past 20 plus years, I feel blessed to have a relationship with the college that is more like family than business. I am proud to have been a part of the transformation of PC's campus and infrastructure. Being part of PC in helping student athletes transform their lives has been a great experience. Go Friars!" – Mike St. Martin

WE ARE PROUD TO ANNOUNCE OVER 85% OF OUR INTERNAL ATHLETIC EMPLOYEES GIVE BACK TO PROVIDENCE COLLEGE ATHLETICS!

Here are some of the staff members who consistently support our athletic programs by not only doing their job, but also going above and beyond by making generous donations.

WHY DO YOU GIVE BACK?

"We are all very fortunate to work at Providence College during such a renaissance era. The transformation that has occurred in the past 5 years is dramatic, and that is thanks to the commitment of past donors. I think current staff members should lead by example, and also think about the impact that their contributions will have on the next phase of advancement that will undoubtedly occur here at PC."

CHRIS GABRIELLI: HEAD MEN'S LACROSSE COACH

I have put my time, effort, and passion into my job and over time have realized that my job has actually taught me what "time well spent" is, and what effort and passion truly are. This is why I give back to PC - because this place and these people have taught me the value of time, effort, and passion. Though these are values that money can't buy, I believe by giving back to PC athletics, in particular, will help teach others the same valuable lessons I have learned by working here.

MARGOT ROYER-JOHNSON: HEAD WOMEN'S VOLLEYBALL COACH

365 of our student-athletes also gave back, totaling \$3,474 to Providence College.

"As I've transitioned from student-athlete, to graduate student and now a full time member of the athletic development team, I've been able to witness first-hand the importance of giving back. Providence College today is at an unprecedented moment; we have become a nationally recognized school and this new era has only been possible through the support of our community, alumni, family and friends."

LAUREN PAIVA '15 '17G:
GRADUATE ASSISTANT OF ATHLETIC DEVELOPMENT

"My wife, Cindy, and I are privileged to give back to Providence as Providence College has been our family's home for over 30 years! Having seen first-hand the transformation of our beautiful, thriving campus as both employees and parents of Friars, we feel honored to continue to do what we can to support the college's mission."

JOHN O'NEILL: HEAD SWIMMING AND DIVING COACH

THE FUTURE OF PC ATHLETICS IS JUST ONE YEAR AWAY!

Join us in the countdown until Fall 2018 when our big project will be revealed and our student-athletes will get to enjoy the brand new Ruane Friar Development Center.

This multi-purpose facility will significantly enhance Friar Athletics, student services, and the College community as a whole. The Ruane Friar Development Center will include a basketball practice facility and space for associated Department of Athletics and academic activities.

Thank you to former Providence College Board of Trustees Chair Michael A. Ruane '71 and '13 Hon. and his wife, Elizabeth Ruane, for providing our student-athletes with this wonderful gift, and allowing them to excel as Friars.

A special thanks to DiMeo Construction for taking on this project and working diligently to have it completed in an impressive amount of time. We appreciate your commitment to Providence College!

FRIAR LEGENDS GIVE BACK

Former Friartown star Billy Donovan '87 and his wife Christine '86, have generously donated \$1 million to the Ruane Friar Development Center.

"As proud alumni, Christine and I are happy to support Providence College Athletics for all that they do for their student-athletes, especially the young men of the Men's Basketball program. We are looking forward to the completion of the Friar Ruane Development Center which will be a first class facility for many years to come."

- Billy Donovan '87 & Christine Donovan '86

The Friar family is extremely grateful to Billy and Christine Donovan for their significant investment in this new facility. Their generosity gives us an opportunity to compete with the best and hopefully win a National Championship title. As PC alumni, Billy and Christine have truly defined our motto, "Us. We. Together. Family. Friars." Thank you Donovans for your dedication and support."

- Ed Cooley
Men's Basketball Head Coach

On March 30th, 2016 Coach Cooley announced that he and his wife, Nurys, will donate \$500,000 to the academic portion of the soon-to-be-constructed Ruane Friar Development Center.

"This gift from Coach Cooley signifies the investment he has in our student-athletes in the classroom. This academic center will provide our student-athletes the tools necessary to excel here at Providence College. This donation is just one of the many ways Ed Cooley has greatly impacted Friartown."
