

THE POWER OF FRIARTOWN

APPRECIATE EACH DAY

2017-2018

A MESSAGE FROM THE ATHLETIC DIRECTOR

Dear Friar Family,

Putting together our annual donor report has become a passion project for our staff because it is a way to celebrate the year in review.

Highlighted by 5 straight NCAA appearances in men's basketball and men's ice hockey and the 28th appearance in 29 years for women's cross country, there was no shortage of accomplishments for the Friars this year.

However, when we were deciding on who to feature on the cover of this year's report, we all kept coming back to one person, Drew Brown.

Drew Brown passed away in November of 2017 after a long battle with cancer. Drew came to Providence College to receive a first-class education and play college hockey at its most elite level. After sustaining an injury in 2014, an MRI revealed a tumor that was diagnosed as Ewing's Sarcoma, a rare form of bone cancer which caused him to miss the entire 2014-15 season. It was during this time that Drew's courage and resilience in fighting this disease served as an inspiration to his teammates and Drew was on the ice with the team after they won the National Championship in 2015.

Drew was selfless, fearless and the spirit that he displayed serves as an example for all of us moving forward. Looking back, I have never been more proud of a student-athlete and I have never been more proud to be part of the Friar Family.

Go Friars!

Bob Driscoll

Athletic Director

IN MEMORIAM

"Drew touched everyone with whom he came into contact with his energy, his smile and his big heart. Drew was a thoughtful, soft-spoken teammate who would do anything for his team. Drew showed amazing courage in his battle with cancer. Our Friar family will miss him dearly. With the support of one another, we will find strength to honor Drew." - Head Coach Nate Leaman

"He always had a contagious smile to him even though he was going through some hard stuff." - Brian Pinho '18

Drew "taught us all what it means to be a good teammate, friend and brother. [He] inspired us all and motivated us with his courageous battle. [His] presence within our locker-room helped us become warriors on and off the ice and for that reason we will walk together as champions forever. Rest in peace, Drew Brown." - Jake Walman

"When we won the National Championship, that whole year I was fueled by Drew. I felt that the team, the coaching staff, everyone at Providence College backed Drew from when he found out to right now...To be able to hoist that trophy up at the end of that was a special feeling, just to have him out there to know that he was fighting and we were fighting with him." - Noel Acciari '15

PROJECT OVERVIEW

Architect: Perkins Eastman

Construction Manager: Dimeo

Grand Opening: September 29, 2018

The Ruane Friar Development Center significantly enhances Friar Athletics, student services, and College community life. The two-story, multi-purpose facility expands Alumni Hall to the west, with glass facades that complement the adjacent exteriors of Slavin Center and Concannon Fitness Center. An atrium connects the Ruane Friar Development Center to Alumni Hall and the Slavin Center, creating a welcoming space for the College community. A large entrance patio serves as a useful multi-purpose outdoor location and an impressive backdrop to the Ray Treacy track facility.

The facility itself includes a 56,000 square foot, two-court basketball practice facility and space for associated Department of Athletics activities. Highlights include an athletic training center, offices, a new Friar Athletics Hall of Champions, and a dining room.

Phase II of the renovation will feature a new Center for Career Education and Professional Development and the expansion and renovation of '64 Hall – the College's largest function facility – located in the Slavin Center. **Naming opportunities are still available for this space.**

“The alumni network of Providence College have given the men's soccer Team an immense amount of support. Everyday my teammates and I have the opportunity to compete for BIG EAST Championships in one of the nicest facilities in college soccer. The memories we have made over the years on and off the field will be cherished for a lifetime. We hope to see the stadium packed again this year with our loving fans, family, and friends. There's no better time than now to call yourself a Friar!”

“I am forever grateful to have been a member of the Providence College women’s field hockey team. I was fortunate enough to be given the opportunity to be a part of not only such an amazing program but a special community all four of my years at PC. Thank you to my teammates who I shared endless amounts of victories, friendships and laughter with both on and off the field. Thank you to the wonderful coaching staff who teach every player much more than mastering skills of the game, but life lessons we will take beyond our college careers. And of course, to all of those who give endless support to our programs. Alumni, donors, and the athletic department- You all help to provide each and every team on campus the resources and tools that inspire us all to be championship programs. I am excited to continue to be a proud member of the Friar Family. Go Friars!”

“On behalf of the women’s basketball team, I want to thank the many donors that have made it possible for us to play the game that we love every day, in the best facilities in the country! I am so fortunate to be able to play for a school that makes being here feel like home. I am a better person and player because of the coaches, staff, and resources PC has given me. Thank you Providence College for giving me the best friends I’ve ever had and four years that I will never forget.”

“Both Kathy and myself are proud to be associated with Providence College as business associates with Coast to Coast and as personal friends of the program. We are proud to support all of the student-athletes and hopefully in some small way we help to make their time at Providence College an experience that they will remember forever.”

“As a longtime member of the Athletics Department, I’ve seen firsthand, the immense and wide-ranging impact that our fundraised dollars have had. When you look around our campus, it’s clear we have invested in infrastructure and facilities, but the most rewarding aspect of donating to Providence College is the knowing that we are providing our student-athletes with the resources to aid them in their overall development and experience.”

“As a former student-athlete, I have a tremendous amount of gratitude to all those who contributed to making my experience at Providence College a memorable one. Now as a Graduate Assistant to Steve Napolillo '98 and his staff, I have gained a new perspective on the importance of giving back and the positive effects it has on the community. I am proud to be a part of the Friar Alumni and honored to meet those who make a difference for Providence College on a daily basis. Go Friars!”
